## The Judge, an Athletic Fan Writes Again to Reno Ruth

BY TAD.

The Judge is an Athletic fan who writes to Ruth.

New York, Oct. 10.—How were you kid? Say you wrote me something Thursday, didn't you? Said something about me being foolish? That old stuff might go with some of these hicks that you know, but when you scampers across the parchment to me, let it be regular stuff.

Chicken, you've written your last letter to me. The old Giants are ready to tie the hump around their necks and jump off.

Why, a little shrimp named Bush took them in Thursday. What da you mean, they have no pitchers? What do they want with pitchers? All they have to do is parade Oldring, Collins and Baker up there, and good good night. The Giants look as fast as an elephant on a cold tar road against my birds. They could not catch anything.

Don't class, Ruthie, kid, don't class. Any other time a fellow finds a boob to bet on the Giants he can

place his bet, then scramble into the alfalfa and grab off eight hours of sleep without batting an eye lash. They might beat the Athletics in the morning papers. But take it from me on the diamond they have no more chance than John Bunney would stand against Gunboat Smith.

I wish when you send me my bets that you would address me as Judge A. Rumbauer. Lay off that Rummy stuff. People will think that you know me if you keep hammering me like that.

Going to Philly to see the slaughter?

I accepted an invitation to go over with a bunch of hick actors. Wise birds, these mummies.

I'll ring you up from the unconscious city and give you an earful of chatter tonight on how the Giants lost.

Well, s'long, don't buy any money tickets till you hear from me.

Yours till the stars melt.

X Batted for Tad. X THE JUDGE.

## STUDENTS WONDER WHO WILL GO TO ST. JOE

High School Eleven to Play Wolverine Team Tomorrow—Annual Goshen Game is Unlikely.

With the first of the scheduled games on for Saturday at St. Joseph, Mich., interest in things athletic is being renewed at the high school.

Speculation is rife as to who will be the ones to make the trip to the Michigan town with the football squad. The men who were used against the alumni and possibly one of two others will be taken along.

Coach Metzler is much pleased with the showing the squad has made in the last few days and sees only victory ahead for the tan and blue.

A strong schedule has been made out. The only difficulty has been to secure an opponent for Thanksgiving day. Goshen would like to meet the locals, but definite action has not been taken on the matter.

Also would like the date, and if arrangements can be made satisfactorily this school will in all probability stack up against the tan and blue.

Basketball practice for the football squad has been in vogue this week, and has proven of great benefit in conditioning the men. A stiff practice is indulged in, followed by a plunge in the tank.

## TO INVESTIGATE TICKET SCALPING

Matter to be Laid Before the Grand Jury as Result of Scandal Story—Foster Denies Collusion Charges.

NEW YORK, Oct. 10.—District Attorney Whitman has determined to settle once and for all the story that through irregularities world's series tickets fall into the hands of speculators every time such a contest is staged in New York city. On Wednesday next the matter will be laid before the grand jury.

John B. Foster, secretary of the New York National league club, held a conference with the district attorney Thursday after which he issued a statement denying that he had said that any tickets for the present series had reached city employees and through them had been placed in the hands of speculators. In the form of an affidavit he issued another statement explaining how the 8,000 odd reserved seats had been disposed of, appending a list of persons to whom they had been distributed.

Ebbets Gets Block of Seats.

"Our books as well as our mailing sheets for boxes and seats," says the statement, "are subject to the call of the district attorney at any time." He added that those 32 seats (unreserved) which had gone out in advance had been delivered, with the sanction of the national commission, to Pres. Chas. H. Ebbets of the Brooklyn club and to a few other persons whose requests for reserved seats could not be fully met. Mr. Ebbets, he said, received 450 of these seats for each game.

Sixteen speculators were arrested outside the Polo grounds this afternoon and on one of them, according to the police, 150 two dollar seats were found. All were fined \$10 each for violation of the city ordinance against soliciting the sale of tickets.

## Don't Let a Cold Settle on Your Lungs

Many cases of Lung Trouble can be traced directly to a severe cold which has been neglected, and which, as a result, has affected the lungs. If you have a persistent cough or cold, take warning before it is too late. Eckman's Alternative is most beneficial in such cases and has been the means of completely restoring to health many persons who had serious lung trouble. Read of this case:

Pleasantville, N. J. "Gentlemen:—During the winter of 1911 I contracted a severe cold, which settled on my lungs. I tried nearly every preparation without any result and kept getting worse. Eckman's Alternative was recommended to me and I commenced using it as a last resort. The first bottle seemed to give me no relief; in fact, I seemed to feel worse, but I kept on using the medicine and found out the first bottle had really started me on the road to recovery by loosening the mucus and making me expectorate freely. After using the medicine for some time my cough ceased. I gained flesh and today I am a well man." (Signed) GEO. M. BATES.

(Above abbreviated; more on request.) Eckman's Alternative has been proven by many years' test to be most efficacious for severe Croup and Lung Affections, Bronchitis, Bronchitis, Asthma, Subacute Coughs and in upbuilding the system. Contains no narcotics, poisons or habit-forming drugs. Sold by Chem. Co. & Co., Woods & Striebel, Write the Eckman Laboratory, Philadelphia, Pa. for booklet telling of recovery and additional evidence.—Advertisement.
